Junior League of Midland Creates At-Home Relief Bags for Teen Girls

One of the core tenets of The Junior League of Midland, Inc.'s mission is to develop the potential of women. Junior League of Midland focuses its community impact efforts on helping women and girls realize their potential through a variety of mentoring programs – I.M.P.A.C.T., Face the Race, and Suits with Skills. With COVID-19 having caused schools to be out and students to have to stay home, Junior League of Midland wants to provide comfort to teen girls across Midland and to let them know that it will get better.

Junior League of Midland has responded by making 200 at-home relief bags for teen girls. The bags contain feminine hygiene supplies, snacks, and craft supplies. These bags will be available for pickup at Lee Freshmen and Midland Freshmen this week (May 18 to May 22, 2020) and at MISD's summer meal service sites beginning May 26, 2020 (while supplies last). Find your closet summer meal distribution site at <https://www.midlandisd.net/Page/33802>.

For more information about the League's mentoring programs or the League's response to the COVID-19 pandemic, contact the Junior League of Midland at (432) 682-4732, email office@jlmidland.org, or visit www.jlmidland.org.

###

About JLM: The Junior League of Midland, Inc. is an organization of over 730 women who work together to fulfill its mission to promote voluntarism, develop the potential of women and improve the community through the effective action and leadership of trained volunteers. Each year, Junior League members contribute more than 16,000 volunteer hours in the Midland community. Founded in 1949, the Junior League of Midland is celebrating its 71st year of service in Midland this year.
